

Enterprise Scale RPA

2020 - Present

Problem Statement: Enterprise customer wanted an agile RPA company to take over their Bot Factory, RPA CoE and 24/7 Bot Managed Services from their Golo

Tangentia's Solution: Tangentia partnered with Automation Anywhere and took over the **Managed Services of +500 bots** with nearly **50% savings in cost** requirements and created an **Agile Bot Factory**.

Our Impact: **50% reduction in managed services costs** and **100% quicker delivery times** for projects in the Agile Bot Factory.

Highlights: Project take over and migration of the solution in all environments was done in a **record 2 weeks**

Canada's Largest Oil and Gas Company
